Have You Ever

Brandy

Have you ever loved somebody so much it makes you cry? Have you ever loved somebody so much It makes you cry Have you ever needed something so bad You can't sleep at night Have you ever tried to find the wordsBut they don't come out right Have you ever have you ever Have you ever been in love Been in love so bad You'd do anything to make them understand Have you ever had someone steal your heart away You'd give anything to make them feel the same Have you ever searched for words to get you in their heartBut you don't know what to say And you don't know where to start Have you ever found the one You've dreamed of all your lifeYou'd do just about anything to look into their eyes Have you finally found the one you've given your heart toOnly to find the one won't give their heart to you Have you ever closed your eyes and Dreamed that they were there And all you can do is wait for the day that they will care What do I gotta do to get you in my arms baby What do I gotta say to get to your heart To make you understand how I need you next to me Gotta get you in my world 'Cause baby I can't sleep Have you ever, ever, ever Have you ever
