

# Seduction

## Usher

Ah, sexy, sexy, sexy, sexy, sexy, oooh  
Voluptuous, I love your confidence  
You got it, you got it  
Seduce me baby, seduce me Just to get my attention  
Sent a note and a drink  
When we made our connection  
She just nodded and winked  
On this note it said  
Its bout time we get together  
Lets dance now, hook up later  
We can do whatever  
She had confidence  
But its all part of the game  
Cuz to her, though I'm whipped,  
Don't really mean a thing  
She knew just what I liked  
And now I'm thirsty for more  
(Chorus)  
Seduction  
Sensuous, sexy, erotic,  
How you working your body  
Oooh oh, you gon' make me do it,  
Do it to ya  
Seduction  
You throwed out your best  
To get me outta control, baby  
The more I play around wit you  
Baby wanna get down wit you  
Down wit you, down with ya  
You got my attention,  
What you gon' do with it?  
Baby turn around, stick it out,  
I wanna see it  
She make the first move, smooth, intoxicatin'  
She plays me  
I'm fightin' not to lose control  
Now I'm feelin' a little tension  
Don't know whos watchin  
Getting big  
In too deep, and I can't stop it  
Your makin it hard for me  
Stay (hard) to walk away (hard)

Don't wanna play no more (hard)  
 I cant take it baby(Chorus)  
 Seduction (oh you got me baby)  
 Sensuous, sexy, erotic,  
 How you working your body  
 Oooh oh, you gon' make me do it,  
 Do it to ya  
 Seduction  
 You throwed out your best  
 To get me outta control, baby  
 The more I play around wit you  
 Baby wanna get down wit you  
 Down wit you, down wit yaBaby whatever you want, girl you got it  
 I'll let ya satisfy  
 Cuz its so hard to resist, oh your body  
 Got me on fire  
 Got vivid thoughts in my mind  
 Of positions that im gonna try  
 But is it worth all the hurt  
 Should I risk it just for one night  
 Once I give in, shes gonna win,  
 Either way I lose  
 But I gotta have youIm tryin to chill, but she got me on the spot  
 Shes so cocky, and the way she watchin me  
 Got me feelin hot, uh  
 Shorty know that I got a girl  
 And I really can't break the rules, plus  
 Paparazzi snappin shots,  
 And its hard for me to shake these fools  
 So do I, one, put it on her, work my way to the front  
 Do I, two, play my part, and she will know not to pull no stunts,  
 Or maybe, three, chase the cat, cuz shes sendin' me on the hunt  
 Nah, f\*ck that, I aint no punk, imma give shorty what she wants(Chorus)  
 Seduction (oh you got me baby)  
 Sensuous, sexy, erotic, (gotta have you)  
 How you working your body  
 (We should leave right now, my cars outside)  
 Oooh oh, you gon' make me do it,  
 Do it to ya  
 Seduction  
 You throwed out your best  
 (I got the VIP suite baby)  
 To get me outta control, baby  
 The more I play around wit you  
 Baby wanna get down wit you  
 Down wit you, down wit ya(Chorus fade to end)
