

# Sunday Rain

## Foo Fighters

You say I take it for granted  
I say you've taken it all  
Say you can take it or leave it  
You got your head in the ceiling  
When are you gonna come down?  
When you're that high can you feel it? Don't leave me drowning in your Sunday rain  
It's right down the drain, I go  
Don't leave me drowning in your Sunday rain  
It's always a shame, oh no You wanna tell me a secret  
You think I'm gonna find out  
You tell the lie, you should keep it  
Don't wanna know where it's leading  
Don't want to follow you 'round  
My first mistake was believing  
Don't leave me drowning in your Sunday rain  
It's right down the drain, I go  
Don't leave me drowning in your Sunday rain  
It's always a shame, oh no Are you a little afraid?  
A little alone?  
A little exhausted?  
Do you give it away?  
Do you let go?  
Where do you find it? Don't leave me drowning in your Sunday rain  
It's right down the drain, I go  
Don't leave me drowning in your Sunday rain  
It's always a shame, oh no Don't leave me drowning in your Sunday rain  
It's right down the drain, I go  
Don't leave me drowning in your Sunday rain  
It's always a shame, oh no  
Are you a little afraid?  
A little alone?  
A little exhausted?  
Do you give it away?  
Do you let go?  
How do you find it? Are you a little afraid?  
A little alone?  
A little exhausted?  
Do you give it away?  
Do you let go?  
How do you find it? Are you a little afraid?  
A little alone?  
A little exhausted?

Do you give it away?  
Do you let go?
