MAX - Blueberry Eyes (feat. SUGA of BTS) Damn you look so good
Laying there wearing nothing but my t-shirt
Your body's a neighborhood Wanna drive my lips all around it Cause I'm holding my breath
Wondering when you're gonna wake up in my arms
Head on my chest
My heart's beating
I can't wait to
Kiss you each morning
With strawberry skies
I get so lost in
Your blueberry eyes
I'm running through my dreams
To see you in the light
Cause I get so lost in
Your blueberry eyes? ???? ? ? ? ?

To see you in the light
Cause I get so lost in
