## **Goodnight and Goodbye**

## **Jonas Brothers**

This has been no walk in the park
I feel like we have fallen apart
Open up your eyes girl and see
How wonderful this love could beHold on tight
It's a roller coaster ride we're on so

Say goodbye

'Cause I won't be back again

Up and down

You're all around

Say goodnightAnd goodbye

Lalala la la lalalala

You say you didn't mean to break

My heart but girl you did

But I'm over it

Adeiu to you and all your gamesAll your crazy friends

This is the end

Hold on tight

It's a roller coaster ride we're on so

Say goodbye

'Cause I won't be back again

Up and downYou're all aroundSay goodnight

And goodbye

Lalala la lalalala

Well girl, I'm sorry for

Disappointing you

But I'm done

With being up and down and pushed around

NO MORE.

Hold on tight

It's a roller coaster ride we're on so

Say goodbye'Cause I won't be back again

Up and down

You're all around

Say goodnight

And goodbye

Hold on tight

It's a roller coaster ride we're on

Say goodbye

'Cause I won't be back again

Up and down

You're all around

Say goodnight

## And goodbye!
