

# Un-thinkable (I'm Ready)

Alicia Keys

Moment of honesty,  
Someones gotta take the lead tonight  
Whose it gonna be?  
I'm gonna sit right here and tell u while it comes to me  
If u have something to say  
You should say it right now  
(You should say it right now) You give me a feeling that I never felt before  
And I deserve it, I know I deserve it  
Its become something that's impossible to ignore  
And I can't take it  
I was wondering maybe  
Could I make you my baby  
If we do the unthinkable will it make us look crazy  
If you ask me I'm ready (I'm ready)  
If you ask me I'm ready (I'm ready)  
I know u said to me  
This is exactly how it should feel when its meant to be  
Time is only wasting so why wait for eventually  
If we gonna do something about it  
We should do it right now  
(We should do it right now) You give me a feeling that I never felt before  
And I deserve it, I know I deserve it  
Its become something that's impossible to ignore  
Its what we make it I was wondering maybe  
Could I make you my baby  
If we do the unthinkable  
Will it make us look crazy  
Or would it be so beautiful  
Either way I'm sayin  
If you ask me I'm ready (I'm ready)  
If you ask me I'm ready (I'm ready)  
Sayin  
I give up before we try  
Feel the lows before the highs  
Clip our wings before we fly away (fly away)  
I can't say I can't compare  
I'm suspended in the air  
Won't u come be in the sky with me I was wondering maybe  
Could I make you my baby  
If we do the unthinkable  
Will it make us look crazy  
Or would it be so beautiful

Either way I'm sayin  
If you ask me I'm ready (I'm ready)  
If you ask me I'm ready (I'm ready)  
If you ask me I'm ready (I'm ready)  
If you ask me I'm ready (I'm ready)
