

Everything You Need (feat. Gaza Slim)

Vybz Kartel

No no no
You don't love me and I know now
No no no
You don't love me so let me go now
(I can't let you go, can't let you go)
If you ask me, baby
I should've left you a long time ago, no Playas gonna play
At least that's what they say
Well I know that for myself now
(You know I love you)
You said you loved me babe
Then you played your game
A game that I know all too well now
Well I used to buy your lines
But it's time for me to sail now
No no no
You don't love me and I know now
No no no
You don't love me so let me go now
(I can't let you go, can't let you go)
If you ask me, baby
I should've left you a long time ago, no First you tellin' me no
But please tell me yes
Without some of this stress
Straight up tell me yes
Gimme the keys to ya chest
Ya chest will rise neva rest
As ya chest you got me feelin' like I'm climbin' on Mount Everest
Hey Rihanna
Your lovin' really put me to the test
But if you shoulda let me soon the answer will yes
Yes to this yes to that yes to whateva you suggest
So please say yes
No no no
Haters gonna hate
(Let them hate)
I found out much to late
I think I know we're a little hot now
The truth leads to the lies
The heart ain't always right
And I see that love is blind now
Boy you use to have my trust

Without no trust there ain't no us boy No no no
You don't love me and I know now
No no no
You don't love me so let me go now
(I can't let you go, can't let you go)
If you ask me, baby
I should've left you a long time ago, no
