Cemetery Drive

My Chemical Romance

This night

Walk the dead

In a solitary style and crash the cemetery gatesIn the dress your husband hates Way down

Mark the graveWhere the searchlights find us drinking by the mausoleum door And they found you on the bathroom floorI miss you

I miss you so far

And the collision of your kiss that made it so hard

Back home

Off the run

Singing songs that make you slit your wrists

It isn't that much fun

Staring down a loaded gun

So I won't stop dyingWon't stop lying

If you want I'll keep on crying

Did you get what you deserve?

Is this what you always want me for?

I miss you

I miss you so far

And the collision of your kiss that made it so hard

Way downWay down

Way downWay down

Way down

Way down

Way down

Way down

I miss you

I miss you so far

And the collision of your kiss that made it so hard

And well I miss you

And well I miss you so far

And the collision of your kiss that made it so hard

That made it so hard

Way down

Way down
