

Afterglow

Wilkinson & Becky Hill

Even though the dancing's done
Don't worry 'cause the night is young
Who cares where we go?
We're ready for the afterglow
Someone hold the sunlight back
'Cause we want this night to last
Smoke and lasers, love and ravers
Afterglow, we're ready for the afterglow
Lights and action, strong attraction
Afterglow, we're ready for the afterglow
Love and ravers
Afterglow, we're ready for the afterglow We're ready for the afterglow!
Even though the dancing's done
Don't worry 'cause the night is young
Who cares where we go?
We're ready for the afterglow
Someone hold the sunlight back
'Cause we want this night to last
Smoke and lasers, love and ravers
Afterglow, we're ready for the afterglow
Lights and action, strong attraction
Afterglow, we're ready for the afterglow
Love and ravers
Strong attraction Oooh, oooh
Afterglow, we're ready for the afterglow
