

Kelsea Ballerini

La da da da da da da da da
 La da da da da da da da da What if we were all the same?
 Same rules, same game
 And we weren't allowed to change anything about anything
 That anybody's ever done before?
 Wouldn't that be boring?, yeah Always spinning on a ride, all walking on a line
 That they drew a long time ago
 When you know that you don't have to go where they go
 You can go write your own story Hey, hey, you gotta be
 Who you oughta be
 So who do you wanna be?
 Oh
 You can choose if you're bad, if you're good
 If you're left or right, speaking your heart or speaking your mind
 You can be what they say you can be, a cliché
 You can tear up the box and throw it away
 Everybody gotta be themselves
 Everybody gotta dream out loud
 Everybody gotta be themselves
 Square pegs make the world go 'round La da da da da da da da da
 La da da da da da da da da da da da da da da There's a lot of open doors you can go and
 explore
 You can always open more if you're hitting a wall
 Dropping the ball, haven't we all
 Been down that same hallway?
 So let 'em talk and whisper, let 'em try to fix ya
 Repaint your picture, at the end of the day
 It fits in your frame, just 'cause you're different don't mean you're crazy
 Hey, hey, you gotta sing
 Like nobody's listening
 'Cause somebody's listening, yeah
 Oh You can choose if you're bad, if you're good
 If you're left or right, speaking your heart or speaking your mind
 You can be what they say you can be, a cliché
 You can tear up the box and throw it away
 Everybody gotta be themselves
 Everybody gotta dream out loud
 Everybody gotta be themselves
 Square pegs make the world go 'round They make the world go 'round Hey, hey, you gotta be
 Who you oughta be
 So who do you wanna be?
 Whoa, oh You can choose if you're bad, if you're good

If you're left or right, speaking your heart or speaking your mind
You can be what they say you can be, a cliché
You can tear up the box and throw it away
Everybody gotta be themselves
Everybody gotta dream out loud
Everybody gotta be themselves
Square pegs make the world go 'round
Hey, you gotta be
Who you wanna be, so
Who do you wanna be?
Square pegs make the world go 'round
Hey, you gotta be
Who you wanna be, so
Who do you wanna be?
Square pegs make the world go 'round
