

# White Flag

Josh Auer

Hey it isnt ok  
To raise the white flag this round  
And hey were all to blame  
Were held slave to our choices  
Ignoring the voices  
Yeah weve got much to learnOoo Ooo  
Weve got much to learnHey this isnt a game  
Its a full house youre dealing with  
And the thoughts that float in your head  
Will soon be on your shoulders  
Were getting older  
But weve got much to learn  
Ooo Ooo  
Weve got much to learn  
Love wont stand by forever  
And watch us destroy it  
Love wont stand by  
Yeah weve got much to learn  
Oh weve got much to learnWeve got much to learn  
Yeah weve got much to learn
