

Oye 2014 (feat. Pitbull)

Santana

Who says history doesn't repeat itself?
This is what legends are made of
Carlos Santana and
We're making history, baby
Like Nelson Mandela did!
Hosted the AMAs,
Raiders went straight to the sky!
And I ain't talking dope
When I say it's in a ... in your heart.
It's a legend in the making with the legend itself
Ya, go ahead and you're rich
Me, I'm here for the wealth!
He, he, he can rise
Or he, he, he get lift
Get, get, get rised
Or get, get, get lift
Ahora canta mi gente
Dale Tito Puente!
Oye como va, mi ritmo
Bueno pa gozar, mulatra!
And tell me what you want,
What you want, I got it!
You just let me know,
Let me know if you're bad!
Oye como va, mi ritmo
Bueno pa gozar, mulatra
Oye como va, mi ritmo
Bueno pa gozar, mulatra! What I got, tómale! What you got, I need it!
What I got, tómale!
What you got, I need it!
Made this song from Miami (that's right!)
This song for the family
I don't care about the wars,
Because my kids can't...
I bleed it, I breathe it, I've seen it, I lived it, I done it!
Went from Miami's most hated, to the world's most wanted!
It's a legend that I'm making, with a legend itself
Ya go ahead and you're rich,
Me, I'm here for the health!
Get, get, get rised
Or get, get, get lift
Ahora canta mi gente

Dale Tito Puente! Tell me what you want, what you want, I got it!
You just let me know, let me know if you got it! Oye como va, mi ritmo
Bueno pa gozar, mulatra!
And tell me what you want,
What you want, I got it!
You just let me know, let me know if you're bad!
Oye como va, mi ritmo
Bueno pa gozar, mulatra
Oye como va, mi ritmo
Bueno pa gozar, mulatra! What I got, tómale!
What you got, I need it!
What I got, tómale!
What you got, I need it!
