Break the Rules (Tiësto Remix)

Charli XCX

Electric lights Blow my mind But I feel alrightAnd never stop, it's how we ride Coming up until we dieYou catch my eye Bitch you wanna fly I'm so aliveAnd never stop, it's how we ride Coming up until we die I don't wanna go to school I just wanna break the rules Boys and girls across the world Putting on our dancing shoes Going to the discotheque Getting high and getting wrecked I don't wanna go to school I just wanna break the rulesI don't wanna go to school I just wanna break the rules Boys and girls across the world Putting on our dancing shoes Going to the discotheque Getting high and getting wrecked I don't wanna go to school I just wanna break the rules I'm such a star Oueen boulevard Blaze through the darkAnd never stop, it's how we ride Coming up until we dieI don't wanna go to school I just wanna break the rules Boys and girls across the world Putting on our dancing shoes Going to the discotheque Getting high and getting wrecked I don't wanna go to school I just wanna break the rulesGet my guitar Sunglasses on So light it upAnd never stop, it's how we ride Coming up until we dieI don't wanna go to school I just wanna break the rules Boys and girls across the world Putting on our dancing shoes Going to the discotheque Getting high and getting wrecked I don't wanna go to school
