

Cheers 2 U

Playa

If I had a wish
Baby, I wish he never left you feeling like this
'Cause I can feel your pain
But if you just could get over him Maybe some wine will empty your mind
Girl, I'ma make it better
Now can we dim the lights
Let's make a toast, that it will be alright Cheers 2 U for givin' me a chance
I'll be your angel your guardian man
Cheers 2 U for givin' me a chance
I'll be your angel your guardian angel I know we can win and you can depend on me
Through the thick and thin to the very end
I got your back, so open up your heart
And let me come on in
And I'll be your king
(And you'll be the queen of my heart
And my soul, and everything I treasure)
So let me ease your mind and let's make a toast
That it will be alright Cheers 2 U for givin' me a chance
I'll be your angel your guardian man
Cheers 2 U for givin' me a chance
I'll be your angel your guardian angel What a love
What a love
What a love
That's waitin' for you What a love
What a love
What a love
Girl, I adore you
I will be there for the love everlasting
Baby, I care for your needs
You can ask me What a love
What a love
What a love
That's waiting for you What a love
What a love
What a love
Good love, I'll be there for the love celebration
We can go there anytime any moment Cheers 2 U for givin' me a chance
I'll be your angel, your guardian man
Cheers 2 U for givin' me a chance
I'll be your angel, your guardian angel
