

Shoulda, Woulda, Coulda

Brian McKnight

softly

Hmm.

Yeah.

Alright.Yeah...Listen...

Baby can you put them bags down,
just wait hold on for a minute?

Gotta say a couple things before you go,
even though I know that we're finished.

I don't want you to leave without knowing,
just where I'm coming from. Babe.Just wanna say I made a big mistake,
and now I gotta face the fact that I.

Should been a better man,
the kind of man that you needed.

Woulda been better off,
if I'd done right by you.Coulda done this, could done that, but I know I can't go back,
'cause now it's just to late,I'm saying shoulda, woulda, coulda.Yea

I can tell by the look on your face,
you ain't trying to hear what I'm saying.

Maybe you done heard all of this before too,
girl this ain't no game that I'm playin.This may be the last chance I'll ever have,
to talk to you before you go.

So I gotta say, I made a big mistake.Girl you know it's killing me, that I...

Should been a better man,
the kind of man that you needed.

Woulda been better off,
if I'd done right by you.

Coulda done this, and I coulda done that, but I know I can't go back.

Cause now it's just to late,I'm saying shoulda, woulda, coulda.Yea

I should have done my best to love you. Baby.

I should have placed no one above you.

And now it's killing me more than you know,
letting you go.

That's why I...

Girl I know that I shoulda...

Coulda been a better man to you baby.

Shoulda been there for yah, every time you needed me, every time you called me.

And you that coulda done this, coulda done that ... yeah,
but now I can't go back baby.

All I need to now is, girl all I need to know is,
do you still love me like you used to, baby.

All the things I could have done,
All the things I should have done,

Saying shoulda, woulda, coulda, yeah...
softly
Coulda been a better man to yah baby...
