Down

[Miranda Lambert](#)

Down is where I'm goin'
Pain is what I'm showin'
Love's what I'm takin'
Hearts are what I'm breakin'There's a strong man, lives up in Jackson Hole
He took my heart and he broke my soul
Left a dark place in my chest
I sleep but I don't rest, I sleep but I don't restSo down is where I'm goin'
Pain is what I'm showin'
Love is what I'm takin'
Hearts are what I'm breakin'
Met a little boy in Baton Rouge
His eyes were clear and his heart was true
I made that boys heart scream my name
But he didn't know the game, no, he didn't know the gameSo down is where I'm goin'
Pain is what I'm showin'
Love is what I'm takin'
Hearts are what I'm breakin', yeah, heyYou don't want to be standing there
When the storm hits you won't have a prayer
My wind will blow you to your knees
Stay away from me, stay away from me
Stay away from me
Oh yeah, down is where I'm goin'
Pain is what I'm showin'
Love is what I'm takin'
Hearts are what I'm breakin'
Hearts are what I'm breakin'
