

So Good

Destiny's Child

I know that you hate me but I'm, yeah, yeah
Hey how ya doin', yeah I'm doin' mighty fine
Last time I seen ya it's been a long time
Stop smilin' at me get that look off your face
Please don't even front stop bein' so fake
I know you do not like me yeah you made it very clear
Always talkin' about me from what I hear
You always put me down when you thought that you could
I want you to know that I'm doin' so good
Wasn't it you that said
I thought I was all that and you
Said I didn't have a clue
Wasn't it you that said
That I wouldn't make it through
And wasn't it you that said
That I didn't look too good
That I wouldn't do too good
I'd never make it out the hood
I want you to know that I'm doin' so, so good
So good, so good, I'm doin' so good
I know that you hate me, but I'm
So good, so good
I'm doin' so good
I'm doin' so good
So good, so good, I'm doin' so good
I know that you hate me but I'm
So good, so good
I'm doin' so good
I'm doin' so good
This is for them haters that said we wouldn't make it
Now we sellin' million and now you can't take it
For all the people 'round us that have been negative
Look at us now and see how we live
I stayed down wit my people all the ones that keep it real
I didn't get caught up and how'd it make you feel?
All the things I'm doin' that you thought I never could
I want you to know that I'm doin' so good
Wasn't it you that said
I thought I was all that and you
Said I didn't have a clue
Wasn't it you that said
That I wouldn't make it through
And wasn't it you that said
That I didn't look too good
That I wouldn't do too good
I'd never make it out the hood
I want you to know that I'm doin' so, so good
So good, so good, I'm doin' so good
I know that you hate me, but I'm
So good, so good
I'm doin' so good

I'm doin' so goodSo good, so good, I'm doin' so good
I know that you hate me, but I'm
So good, so good
I'm doin' so goodI'm doing so, so, so, so, so
I'm doing so, so, so, so, so
I'm doing so, so, so, so, so, so, so, so, so, so goodI'm doing so, so, so, so, so
I'm doing so, so, so, so, so
I'm doing so, so, so, so, so, so, so, so, so, so goodSo good, so good, I'm doin' so good
So good, so good, I'm doin' so good
So good, so good, I'm doin' so good
So good, so good, I'm doin' so good
