

# Speechless

## Musiq Soulchild

Verse I: Darling baby  
Got me going crazy  
I can't seem to get you out of my  
You look so good to me gotta tell  
Even my friends worry about me  
Day and night I think about you  
Don't know what I go through to forget about you  
I can't say that I know much about you  
Can't say that you know much about me  
Hook: All I know you got me speechless (2xs)  
Verse II: Now I've seen plenty girls in my  
Like you I never had the pleasure  
Before I get too far ahead of my  
Heart says I need to be with you I  
I don't mean to be comin' off like  
I apologize if I'm being  
But I'm really diggin on  
And I'm hoping you feel it too  
Hook (2xs) Bridge:  
What I can't figure out is  
Why it's so hard for me to find  
The right words to say to you no matter how many words I use  
Nothing's good enough to tell you how I feel about you baby  
How, how, how
