

# Where Are You Going

## Dave Matthews Band

Where are you going?  
With your long face  
Pulling down  
Don't hide away  
Like an ocean  
That you can't see but you can smell  
And the sound of the waves crash down I am no Superman  
I have no reasons for you  
I am no hero  
Oh, that's for sure  
But I do know one thing  
Is where you are is where I belong  
I do know where you go  
Is where I want to be  
Where are you going?  
Where do you go? Are you looking for answers  
To questions under the stars?  
Well, if along the way  
You are grown weary  
You can rest with me until  
A brighter day and you're okay I am no Superman  
I have no answers for you  
I am no hero  
Oh, that's for sure  
But I do know one thing  
Is where you are is where I belong  
I do know where you go  
Is where I want to be  
Where are you going?  
Where do you go? Where do you go?  
Where are you going? Where do you go? I am no Superman  
I have no answers for you  
I am no hero  
Oh, that's for sure  
But I do know one thing  
Is here you are is where I belong  
I do know where you go  
Is where I want to be Where are you going?  
Where do you go?  
Tell me, where are you going?  
Where?

Well, let's go
