

Breakout

Foo Fighters

You make me dizzy
Running circles in my head
One of these days I'll chase you down
Well look who's going crazy now
We're face to face my friend
Better get out
Better get out! You know you make me breakout
Make me breakout I don't wanna look like that
I don't wanna look like that
Know you make me breakout
Make me breakout
Make me breakout
I don't wanna look like that
I don't wanna look like that
Know you make me breakout You can see this on my face
It's all for you
The more and more I take I break right through
Therapy still scares me Putting me on my back again
I may be crazy, little frayed around the ends One of these days I'll phase you out
Burn it in the blast off
Burn it in the blast off
Watch me crawl away
Try to get out Try to get out
You know you make me breakout
Make me breakout
I don't wanna look like that
I don't wanna look like that
Know you make me breakout
Make me breakout I don't wanna look like that
I don't wanna look like that
Yeah yeah
I don't wanna look like that Breakout!
Breakout!
Breakout!
Breakout! Go, go, go! You know you make me breakout
Make me breakout
I don't wanna look like that
I don't wanna look like that
Know you make me breakout Make me breakout
I don't wanna look like that
I don't wanna look like that
Yeah yeah

I don't wanna look like that
I don't wanna look like that
Know you make me breakout Make me breakout
Make me breakout
Make me breakout
Yeaah!
