## When Love Takes Over (feat. Kelly Rowland)

## **David Guetta**

It's complicated
It always is
That's just the way it goes
Feels like I've waited so long for this
I wonder if it showsHead underwater

Now I can't breathe It never felt so good

'Cause I can feel it coming over me I wouldn't stop it if I couldWhen love takes over, yeah

> You know you can't deny When love takes over, yeah 'Cause something's here tonight

> > Give me a reason

I gotta know

Do you feel it too?

Can't you see me here on overload

And this time I blame you

Looking out for you to hold my hand

It feels like I could fall

Now love me right like I know you can

We could lose it allWhen love takes over, yeah

You know you can't deny

When love takes over, yeah

'Cause something's here tonightTonight, tonight, tonight, tonight, tonight

Tonight, tonight, tonight, tonight, tonight

Tonight, tonight, tonight, tonight, tonight

And I'll be loving you all the time, it's true

'Cause I wanna make it right with youWhen love takes over

When love takes over

When love takes over

When love takes over When love takes over

When love takes over

When love takes over

Over, over, over, over, over

Over, over, over, over, over

When love takes over, yeah

You know you can't deny

When love takes over, yeah

'Cause something's here tonight
