Vultures

Asking Alexandria

Close the curtains, cash me in Gather photographers of the Devil you let in Digging deep inside my soul I don't know, I don't knowWhere I turn? Everywhere I look these vultures burn the life right outta me Do I run or lay down and die? Is it time to close my eyes? Keep me numb, I'll follow direction A pawn to pass around and be bled until I'm dry It's hard to see what's underneath Is it me? Is it me? Where do I turn? Everywhere I look these vultures burn the life right outta me Do I run or lay down and die? Is it time to close my eyes? For so long all I've known All I've seen's green lights Fuck your greed, all I need's somewhere to catch my breath Rest my head and ease my mindI've been holding on My grip it only used to be I'm much older, I'm bitter, I'm jaded, I'm lost Can somebody give me a sign? Where do I turn? Everywhere I look these vultures burn the life right outta me Do I run or lay down and die? Is it time to close my eyes? Where do I turn? Everywhere I look these vultures burn the life right outta me
