

Maxwell Murder

Rancid

Maxwell can tell he's in hell
He just wants you to visit him there
Same old game that he's playing
His rules are never fair Nobody want to look back
Everybody want to get high tonight before they run out of time
Where's the felon, the chargeable felon
The name of the crook who committed the crime Dial 999 if you really want the truth
Dial 999 if you can't see it through
He ain't Jack the Ripper
He's your ordinary crook
Calling Maxwell Murder for you
Maxwell got a hand in this plan
He knows who you are in this plan
Chop the rock before you bought it
Sickness Maxwell knows you caught it Nobody want to look back
Everybody want to get high tonight before they run out of time
Where's the felon, the chargeable felon
The name of the crook who committed the crime 999 if you really want the truth
Dial 999 if you can't see it through
He ain't Jack the Ripper
He's your ordinary crook
Calling Maxwell Murder for you
Dial 999 if you really want the truth
Dial 999 if you can't see it through
He ain't Jack the Ripper
He's your ordinary crook
Calling Maxwell Murder for you
