

# Rock and Roll Music

## Chuck Berry

Just let me hear some of that rock and roll music  
Any old way you choose it  
It's got a back beat, you can't lose it  
Any old time you use it  
It's gotta be rock on music  
If you wanna dance with me  
If you wanna dance with me I have no kick against modern jazz  
Unless they try to play it too darn fast  
And change the beauty of the melody  
Until they sound just like a symphony  
That's why I go for that rock and roll music  
Any old way you choose it  
It's got a back beat, you can't lose it  
Any old time you use it  
It's gotta be rock and roll music  
If you want to dance with me  
If you want to dance with me I took my loved one over cross the tracks  
So she can hear my man a wailin' sax  
I must admit they have a rockin' band  
Man, they were goin' like a hurricane That's why I go for that rock and roll music  
Any old way you choose it  
It's got a back beat, you can't lose it  
Any old time you use it  
It's gotta be rock and roll music  
If you wanna dance with me  
If you wanna dance with me  
Way down South they gave a jubilee,  
The jokey folks they had a jamboree;  
They're drinkin' homebrew from a water cup,  
The folks dancin' got all shook up And started playin' that rock and roll music  
Any old way you choose it  
It's got a back beat, you can't lose it  
Any old time you use it  
It's gotta be rock and roll music  
If you wanna dance with me  
If you wanna dance with me Don't care to hear 'em play a tango  
I'm in the mood to dig a mambo  
It's way to early for a congo  
So keep a rockin' that piano So I can hear some of that rock and roll music  
Any old way you choose it  
It's got a back beat, you can't lose it  
Any old time you use it

It's gotta be rock and roll music  
If you wanna dance with me  
If you wanna dance with me
