

# Guess Who's Coming to Dinner

## Black Uhuru

Guess who's coming to dinner, Natty Dreadlocks  
Guess who's coming to dinner, Natty Dreadlocks Oh I can see you brought some herb for me,  
Natty Dreadlocks  
And Rasta near land Nyah Binghi Cudjoe are coming over the hills  
Say in time like this we must live as one  
So the Book of Rule shall stand, Dreadlocks, Dreadlocks Guess who's coming to dinner, Natty  
Dreadlocks  
Guess who's coming to dinner, Natty Dreadlocks So let's give thanks and praise, Natty  
Dreadlocks  
I appreciate the herb you brought for me, Natty Dreadlocks  
Now that things and time have changed  
Something make me realize what it takes  
And that I'm to be a Natty Dreadlocks  
Guess who's coming to dinner, Natty Dreadlocks I'm just coming in from the woods, Natty  
Dreadlocks  
So let's give thanks and praise, Natty Dreadlocks  
I appreciate the herb you brought for me, Natty Dreadlocks  
Now that things and time have changed  
Something made me realize what it takes  
And that I'm to be a Natty Dreadlocks, oh yeah Guess who's coming to dinner, Natty Dreadlocks  
Hmmm yeah  
Guess who's coming to dinner, Natty Dreadlocks  
Guess who's coming to dinner, Natty Dreadlocks So let's give thanks and praise, Natty  
Dreadlocks  
I appreciate the herb you brought for me, Natty Dreadlocks  
Now that things and time have changed  
Something made me realize what it takes  
And that I'm to be a Natty Dreadlocks, oh yeah  
Guess who's coming to dinner, Natty Dreadlocks  
Guess, Natty Dreadlocks  
Guess, Natty Dreadlocks  
Guess, Natty Dreadlocks  
Natty Dreadlocks Guess, Natty Dreadlocks  
Guess, Natty Dreadlocks  
Guess, Natty Dreadlocks  
So  
Now  
Natty Dreadlocks Guess, Natty Dreadlocks  
Guess, Natty Dreadlocks  
Guess, Natty Dreadlocks
