

# Honey, Honey

ABBA

Honey honey, how you thrill me, ah-hah, honey honey  
Honey honey, nearly kill me, ah-hah, honey honey  
I'd heard about you before  
I wanted to know some more  
And now I know what they mean, you're a love machine  
Oh, you make me dizzy Honey honey, let me feel it, ah-hah, honey honey  
Honey honey, don't conceal it, ah-hah, honey honey  
The way that you kiss goodnight  
(The way that you kiss me goodnight)  
The way that you hold me tight  
(The way that you're holding me tight)  
I feel like I wanna sing when you do your thing  
I don't wanna hurt you, baby, I don't wanna see you cry  
So stay on the ground, girl, you better not get too high  
But I'm gonna stick to you, boy, you'll never get rid of me  
There's no other place in this world where I rather would be Honey honey, touch me, baby, ah-  
hah, honey honey  
Honey honey, hold me, baby, ah-hah, honey honey  
You look like a movie star  
(You look like a movie star)  
But I know just who you are  
(I know just who you are)  
And, honey, to say the least, you're a dog-gone beast  
So stay on the ground, girl, you better not get too high  
There's no other place in this world where I rather would be  
Honey honey, how you thrill me, ah-hah, honey honey  
Honey honey, nearly kill me, ah-hah, honey honey  
I heard about you before.
