

When the Angels Sing

Social Distortion

At last we meet again, dear God,
Hear the angels sing.
The funerals are nicer, when we know you're there,
When the angels sing.
Sometimes I try so hard
To understand the things you do
Who am I to question You
When it all comes down
Hear the angels sing?
Stand up strong,
Feel the pain,
When the angels sing,
Love and Death
Don't mean a thing,
'Til the angels sing. The prisoners pray when they're on Death Row,
Hear the angels sing,
The junkie cries for love, but its all run out
When the angels sing.
The sins of the world,
And its cold on the streets
When you're all alone
And the tears they start to fall
When it all comes down
Hear the angels sing.
Stand up strong,
Feel the pain,
When the angels sing,
Love and death
Don't mean a thing,
'Til the angels sing.
Little by little,
Day by day,
I watch the children play,
'Cause life and death
Don't mean a thing,
'Til the angels sing. When the angel of death,
Comes looking for me,
Hear the angels sing,
I hope I was everything
I was supposed to be,
When the angels sing;
There's gotta be a heaven,

'Cause I've already done
My time in hell,
And a little baby's born,
When it all comes down;
Hear the angels sing. Stand up strong,
Feel the pain,
When the angels sing.
Love and death
Don't mean a thing
'Till the angels sing.
Little by little,
Day by day,
I watch the children play
'Cause life and death
Don't mean a thing,
'Til the angels sing.
