

Turn Me to Love

[Keith Whitley](#)

I may not look like much
But I think that with your touch
I could be somebody you'd be proud of
Lend me a hand, understand
I've been such a lonely man
Help me find the hope that I've run out of
Turn me around, turn me on, turn me to love(Chorus:)
Break these chains, that surround my heart
They've been there long enough
Take my life, you could fix it up
Turn me around, turn me on, turn me to love I do believe that you will know just what to do
You can help me find a new direction
I need to live for a change get my world rearranged
I think you might be my love connection
Turn me around, turn me on, turn me to love
(chorus fades)
