

# Say Goodbye

Chris Brown

Look  
We gotta talk  
Dang, I know, I know  
But it's, it's just some things I gotta get off chest, alright? Yeah, woo, ooo, woo, ooo, woo, ooo  
Listen Baby, come here and sit down  
Let's talk; I got alot to say  
So I guess I'll start by sayin' that I love you  
But you know this thing ain't been a walk in the park (for us) I swear it'll only take a minute  
You'll understand when I finish, yeah  
And I don't want to see you cry  
But I don't want to be the one to tell you a lie, so  
How do you let go when you  
You just don't know what's on  
The other side of the door?  
When you're walking out, talk about it, and  
Everything I tried to remember to say Just went out my head  
So I'm a do the best I can to get you to understand  
Cause I know!! There's never a right time to say goodbye  
But I gotta make the first move  
Cause if I don't, you gonna start hating me  
Cause I really don't feel the way I once felt about you  
Girl, it's not you, it's me I, I gotta, gotta figure out what I need, oh  
There's never a right time to say goodbye  
But we know that we gotta go  
Our separate ways  
And I know it's hard, but we gotta do it  
It's kind of killing me  
Cause there's never a right time A right time to say goodbye Girl, I know your heart is breaking  
And a thousand times I  
Found myself asking, "Why? Why?"  
Why am I taking so long to say this? But trust me, girl, I never  
Meant to crush your world  
And I never thought I would see the day we'd grow apart  
And I wanna know... How do you let go when you  
You just don't know what's on  
The other side of the door? When you're walking out, talk about  
Girl, I hope you understand  
What I'm tryna say  
We just can't go on  
Pretending that we get along  
Girl, how you not gonna see that I'm hurt? There's never a right time to say goodbye  
But I gotta make the first move

Cause if I don't, you gonna start hating me  
Cause I really don't feel the way I once felt about you  
Girl, it's not you, it's me  
I, I gotta, gotta figure out what I need, oh  
There's never a right time to say goodbye  
But we know that we gotta go  
Our separate ways  
And I know it's hard, but we gotta do it  
It's kind of killing me  
Cause there's never a right time  
A right time to say goodbye Listen to your heart  
Girl, you know  
We should be apart, baby  
I, I just can't do it  
I, I just can't do it  
Listen to your heart  
Girl, you know  
We should be apart, baby  
I, I just can't do it  
And sometimes it makes me wanna cry  
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh  
Oh, oh  
Oh, oh  
Do you hear me crying?  
Oh, oh, oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh There's never a right time to say goodbye  
But I gotta make the first move  
Cause if I don't, you gonna start hating me  
Cause I really don't feel the way I once felt about you  
Girl, it's not you, it's me  
I, I gotta, gotta figure out what I need, oh  
There's never a right time to say goodbye  
But we know that we gotta go  
Our separate ways  
And I know it's hard, but we gotta do it  
It's kind of killing me  
Cause there's never a right time  
A right time to say goodbye There's never a right time to say goodbye  
But I gotta make the first move  
Cause if I don't, you gonna start hating me  
Cause I really don't feel the way I once felt about you  
Girl, it's not you, it's me  
I, I gotta, gotta figure out what I need, oh  
There's never a right time to say goodbye  
But we know that we gotta go  
Our separate ways  
And I know it's hard, but we gotta do it  
It's kind of killing me

Cause there's never a right time
