

# Private Emotion (feat. Meja)

**Ricky Martin**

Every endless night has a dawning day  
Every darkest sky has a shining ray  
And it shines on you, baby, can't you see  
You're the only one who can shine for me  
It's a private emotion  
That fills you tonight  
And a silence falls between us  
As the shadows steal the light  
And wherever you may find it  
Wherever it may lead  
Let your private emotion come to me  
Come to me, come to me, come to me  
When your soul is tired and your heart is weak  
Do you think of love as a one way street?  
Well, it runs both ways, open up your eyes  
Can't you see me here, how can you deny  
It's a private emotion  
That fills you tonight  
And a silence falls between us  
As the shadows steal the light  
And wherever you may find it  
Wherever it may lead  
Let your private emotion come to me  
Come to me, come to me  
Every endless night has a dawning day  
Every darkest sky has a shining ray  
It takes a lot to laugh as your tears go by  
But you can find me here till your tears run dry  
Well, it's a private emotion  
That fills you tonight  
And a silence falls between us  
As the shadows steal the light  
And wherever you may find it  
Wherever it may lead  
Let your private emotion come to me  
Let your private emotion come to me  
Let your private emotion come to me  
Come to me, come to me
