

Drivin' Me Wild (feat. Lily Allen)

Common

[Chorus]

It's this thing now
That's driving me wild
I gotta see what's up
Before it gets me down
Love's not a mystery, it's everything
She was the type to watch Oprah and The Today Show
Be on the treadmill, like OK Go
Had the body that you can't pay for
That means she had some D's on her, but they wasn't fake though
Had a drive, a Drive for Rodeo
She spent pesos on those labels
Spent class at the gym, striptease on the pole
She was so obsessed with her body and clothes
To every party she goes, trying hard to be chose
They say it's hard for a pimp, but extra hard for these hoes
Reading US or People mag, trying to get these scoops
Chasing an actor for a Bentley Coupe
She recruit a ball player from the Clippers
Then came the pumps off
Thinking she Number One, when she just a jump off
Doing all she can for a man and a baby
Driving herself crazy
like the astronaut lady
[Chorus] He had paper since we was in, we was in High School
Pop was a doc, mom taught at my school
Lock with the rocks, in his ear he kept jewels
One of the Diddy types, the Dame Dash dudes
Pushed the Maserati Sport, reading the ROB
Report
Wanted to be Mike, but he was never live in sports
Since golf was in, he was in the driving course
To live the rap life is what he was striving for
Spending cash at the bar to get credit
Drinking Chandon just because BIG said
They say Ye is, but dude big-headed
Rocked the fur in the summer, so, somebody'll pet it
He had a fetish for shoes that's athletic
Pathetic on his Myspace page, half naked
It's a shame what they do for fame, and to be respected
Joe you could of got it, if you never woulda stressed it
[Chorus] They was one of them couples,
people said they was it
Unbreakable like Bobby and Whit
Or Ryan and Reese, or Kimora and Russ
Relationships can be dead but look live to us
I guess we all been through it, where we try too
much
Losing yourself and your lying and stuff
Wishing for the diamond cuffs, searching for the ring

Where love is not a mystery, it's everything, sing [Chorus] Gets me down [Repeat: x5]
Gets me
Love's not a mystery, it's everything
