Turn Me Up

Carly Rae Jepsen

All alone, here I am I don't know what i'm after Now that you're just a friend I can't call you and ask you And from the very first time I saw your face I knew I was satisfied You were talking so sweet, I had to taste I wish I never triedI'm breaking up with you You're breaking up on me You kissed me on the phone And I don't think it reaches What am I to do And how's it gonna be Cause breaking us into It's breaking me in pieces Breaking up with you You're breaking up on me You kissed me on the phone And I don't think it reaches What am I to do And how's it gonna be I've given up, and going out tonight Turn me up, turn me up I'll turn me up, i'll turn me upTonight here you are And I know what you're after But you're reading me wrong Cause i'm closing this chapter And from the very first time I saw your face I knew I was satisfied You were talking so sweet, I had to taste I wish I never tried I'm breaking up with you You're breaking up on me You kissed me on the phone And I don't think it reaches What am I to do And how's it gonna be Cause breaking us in two It's breaking me in piecesBreaking up with you You're breaking up on me You kissed me on the phone And I don't think it reaches

What am I to do And how's it gonna be I've given up, i'm going out tonight Turn me up, turn me up I'll turn me up, i'll turn me upTurn me up, turn me on Turn me up, and turn me on, and onBreaking up with you You're breaking up on me You kissed me on the phone And I don't think it reaches What am I to do And how's it gonna be I've given up, i'm going out tonight Turn me up, turn me on Why don't you turn me on? I'll turn me up, why don't you turn me on? I'll turn me on (on, and on, and on) I'll turn me up why don't you turn me on? I'll turn me on (turn me on) I'll turn me on
