Never Gonna Let You Go

Blackstreet

Never gonna let you go away, you belong to me And I'm never gonna let you go Never gonna let you go away

We were meant to be in love, loveTake your time, mark just sing it for 'em, I regret the moment When I heard you say, you don't want no part of me no more

But I'm sorry, that you changed your mind, you're staying in my life

Forever more, forever more, 'cause I'll neverNever gonna let you go away, you belong to me

And I'm never gonna let you go

Never gonna let you go away

We were meant to be in love, love

Now I must admit, that I did you wrong, hiding all your tears When you cried for me to come back home and then you tell me

Part-time loving just won't do, I can't say a word

Oh, I must have been a fool but this time, this time, I'll neverNever gonna let you go away, you belong to me

And I'm never gonna let you go Never gonna let you go away

We were meant to be in love, loveNow girl, I know, we've had our share of ups and downs
But we can make it, if we try

And your friends are telling you that I'm not the one for you

But I'll never, no, no never, let you goNever gonna let you go away, you belong to me

And I'm never gonna let you go

Never gonna let you go away

We were meant to be in love, love

Never gonna let you go away, you belong to me

And I'm never gonna let you go

Never gonna let you go away

We were meant to be in love, love
