Hammer Smashed Face

Cannibal Corpse

•••

(Bass Solo)

Something inside me

It's, it's coming out

I feel like killing youLet loose the anger, held back too long My blood runs coldThrough my anatomy, dwells another being

Rooted in my cortex, a servant to its bidding

Brutality now becomes my appetite

Violence is now a way of life

The sledge my tool to torture

As it pounds down on your forehead

Eyes bulging from their sockets

With every swing of my mallet I smash your fucking head in, until brains seep in

Through the cracks, blood does leakDistorted beauty, catastrophe

Steaming slop, splattered all over meLifeless body, slouching dead

Lecherous abcess, where you once had a head

Avoiding the prophecy of my new found lust

You will never live again, soon your life will endI'll see you die at my feet, eternally I smash your faceFacial bones collapse as I crack your skull in half

Crushing, cranial, contents

Draining the snot, I rip out the eyes

Squeezing them in my hands nerves are incised

Peeling the flesh off the bottom of my weaponInvoluntarily pulpifying facial regions

Suffer, and then you die

Torture, pulverized

At one with my sixth sense, I feel free

To kill as I please, no one can stop me

Created to kill, the carnage continues

Violently reshaping human facial tissue

Brutality becomes my appetite

Violence is now a way of life

The sledge my tool to torture

As it pounds down on your forehead
