

# The Sound

## The 1975

Well I know when you're around cause I know the sound  
I know the sound, of your heart  
Well I know when you're around cause I know the sound  
I know the sound, of your heartWell I know when you're around cause I know the sound  
I know the sound, of your heart  
Well I know when you're around cause I know the sound  
I know the sound, of your heartI can't believe I forgot your name  
Oh baby won't you come again?  
She said "I've got a problem with your shoes and your tunes  
But I might move in" and  
"I thought that you were straight, now I'm wondering"  
You're so conceited  
I said "I love you"  
What does it matter if I lie to you?  
I don't regret it but I'm glad that we're through  
So don't you tell me that you 'just don't get it'  
Cause I know you do.Well I know when you're around cause I know the sound  
I know the sound, of your heart  
Well I know when you're around cause I know the sound  
I know the sound, of your heartIt's not about reciprocation it's just all about me  
A sycophantic, prophetic, Socratic junkie wannabe  
There's so much skin to see  
A simple Epicurean Philosophy  
And you say I'm such a cliché,  
I can't see the difference in it either way.  
And we left things to protect my mental health  
But you call me when you're bored and you're playing with yourself  
You're so conceited  
I said "I love you"  
What does it matter if I lie to you?  
I don't regret it but I'm glad that we're through  
So don't you tell me that you 'just don't get it'  
Cause I know you do.Well I know when you're around cause I know the sound  
I know the sound, of your heart  
Well I know when you're around cause I know the sound  
I know the sound, of your heart  
Well I know when you're around cause I know the sound  
I know the sound, of your heart  
Well I know when you're around cause I know the sound  
I know the sound, of your heartWell I know when you're around cause I know the sound  
I know the sound, of your heart  
Well I know when you're around cause I know the sound

I know the sound, of your heart  
Well I know when you're around cause I know the sound  
I know the sound, of your heart  
Well I know when you're around cause I know the sound  
I know the sound, of your heart
