Freeway

Porno for Pyros

Ain't been twelve a couple of hours

I'm on the freeway

Rain's so hard the sky's one color

The wettest coldest grey

Then she takes a look at me

I tell her it's okayDriving around with her

She's taking trips on me

I'm taking trips on herLeft the sunset back in Venice

I was on the freeway

Say you love me or I'll kill us

But you won't say it

Reach across the seat

And push the bucket back all the way

Driving around with her

She's taking trips on me

I'm taking trips on herI fell in love with her

I just don't mention it

To fall in love this much

It's very dangerous

She makes me so jealous

I want to kill us bothLeft the sunset back in Venice

I was on the freeway

Say you love me or I'll kill us

But you won't say it

Reach across the seat

Push the bucket back all the wayDriving around with her

She's taking trips on me

I'm taking trips on her

I fell in love with her

I just don't mention it

To fall in love this much

It's very dangerousShe makes me so jealous!

She makes me so jealous!

It's very dangerous

She makes me so jealous!

It's very dangerous

She makes me so jealous!

It's very dangerous

It's very dangerous

It's very dangerous!
