Love Song for No One

John Mayer

Staying home alone on a Friday Flat on the floor looking back On old love Or lack thereof After all the crushes are faded And all my wishful thinking was wrong I'm jaded I hate itI'm tired of being alone So hurry up and get here So tired of being alone So hurry up and get here (get here) Searching all my days just to find you I'm not sure who I'm looking for I'll know it When I see you

Until then, I'll hide in my bedroom
just staying up all night just to write
A love song for no oneI'm tired of being alone
So hurry up and get here
So tired of being alone

So hurry up and get hereI could have met you in a sandbox I could have passed you on the sidewalk

Could I have missed my chance

And watched you walk away?

Oh no way

I could have met you in a sandbox
I could have passed you on the sidewalk
Could I have missed my chance
And watched you walk away?I'm tired of being alone
So hurry up and get here
So tired of being alone
So hurry up and get here
You'll be so good
You'll be so good for me
