Zac Brown Band

so we live out in our old van
Travel all across this land
Me and you
and We'll end up hand in handSomewhere down on the sand
just Me and you
Just as freeFree as we'll ever be

Just as free

Free as we'll ever be

Drive until the city lightsDissolve into a country sky

just Me and you

Lay underneath the

harvest moon

Do all the things

that lovers do

Just me and you

Just as freeFree as we'll ever be

Just as free

Free as we'll ever be

And ever be

we were born before the windall so younger then the sun

and the bonny boat was won

as we sail into the misty

hark now hear the sailors cry

you smell the sea and you feel the sky

let your soul and spirit fly

into the misty

when a fog horn blows

ill be coming home

yea when a fog horn blows

I wanna feel it

don't have to fear it at night

I want to rock your gypsy soul

just like way back in the days of old

and together we will flow into the misty

No we don't have alot of money

No we don't have a

lot of money
No we don't have a
lot of money
No we don't have a
lot of money
All we need is love
we're Free as we'll ever be
Just as free
Free as we'll ever be
So we live in our old van
Travel all across this land
Me and you
