

# Unforgettable (feat. Álvaro Soler)

Nico Santos

Unforgettable Take a sip  
And pass it on  
Fill it up  
Until it's gone  
Send it around  
Another one  
Let's sing  
Another song  
About the times  
When we were young  
And all the crazy  
Shit we've done  
Living like  
The special one In the sun  
We're never gonna call  
No we're never gonna write  
I don't ever care  
Because we always got tonight  
Together  
Let's stay together  
Say you will  
Remember me  
When you go  
Take a piece  
Of melody  
To help you keep  
The memory  
Never let it go  
So when the song  
Begins to play  
I hope it takes  
You close to me  
And for a moment  
We will be  
Unforgettable  
Oh oh oh ...  
Unforgettable  
Though years and years  
Have passed away  
A million words  
I should've said  
Familiar notes

Begins again  
That bring me back to you  
So put our song  
On repeat  
Close your eyes  
And fall asleep  
And I will meet  
You in a dream  
Lay with me  
We're never gonna call  
No we're gonna write  
I don't even care  
Because we always got tonight  
Together  
Let's stay together  
Say you will  
Remember me  
When you go  
Take a piece  
Of melody  
To help you keep  
The memory  
Never let it go  
So when the song  
Begins to play  
I hope it take  
You close to me  
And for a moment  
We will be  
Unforgettable  
Oh oh oh  
Unforgettable  
Oh oh oh  
We were meant to be together in the end  
Oh oh oh  
When I hear the music yeah it take me back again  
Oh oh oh  
Say you will  
Remember me  
When you go  
Take a piece  
Of melody  
To help you keep  
You close to me  
And for a moment  
We will be  
Unforgettable  
Oh oh oh oh
