

# You've Got Her In Your Pocket

## The White Stripes

You've got her in your pocket  
And there's no way out now  
Put it in the safe and lock it 'cause it's home sweet home Nobody ever told you that it was the  
wrong way  
To trick a woman, make her feel she did it her way  
And you'll be there if she ever feels blue  
And you'll be there when she finds someone new  
What to do?  
Well you know  
You keep her in your pocket  
Where there's no way out now  
Put it in a safe a lock it 'cause it's home sweet home The smile on your face made her think she  
had the right one  
And she thought she was sure by the way you two could have fun But now she might leave like  
she's threatened before  
Grab hold of her fast before her feet leave the floor  
And she's out the door Cause you want to keep her in your pocket  
Where there's no way out now  
Put it in a safe and lock it cause it's home sweet home  
And in your own mind you know you're lucky just to know her  
And in the beginning all you wanted was to show her  
But now you're scared, you think she's running away  
You search in your hand for something clever to say  
Don't go away Cause I want to keep you in my pocket where there's no way out now  
Put it in a safe and lock it 'cause it's home sweet home  
Home sweet home
