Six Feet Under

The Weeknd

Ask around about her She don't get emotional Kill off all her feelings That's why she ain't approachable She know her pussy got a fan base A couple niggas with a suit case Suit and tie niggas who play role play When it comes to money she play no games She lick it up just like a candy She wanna make them leave their family She trying to live a life so fancy She wanna pull up in a Bentley She ain't got time for lovin' Louis Vuitton her husband She rather die in lusting She rather die in the club, till she Six feet under she gon' get that fucking paper

Six feet under she gon' get that fucking paper
Six feet under she gon' get that fucking paper
Six feet under she gon' get that fucking paper
You know how she get down, pop her for a check now

Six feet under, six Six feet under Six feet under, six Six feet under

Six feet under she gon' kill me for that paper Not the type to fuck around, gonna turn that ass aroundShe don't depend on anybody

Know just what to do with her own body
Counting all that money like a hobby
She don't give a fuck about nobody
And she got her whole crew poppin'
And she bend it over like she got no back bone
Got a couple niggas blinging up a trap phone
She don't need nobody waiting back home, she got it
She lick it up just like a candy

She lick it up just like a candy
She wanna make them leave their family
She trying to live a life so fancy
She wanna pull up in a Bentley
She ain't got time for lovin'
Louis Vuitton her husband
She rather die in lusting
She rather die in the club, till she
Six feet under she gon' get that fucking paper

Six feet under she gon' get that fucking paper Six feet under she gon' get that fucking paper You know how she get down, pop her for a check now

> Six feet under, six Six feet under Six feet under, six Six feet under

Six feet under she gon' kill me for that paper Not the type to fuck around, gonna turn that ass around

Gonna turn that ass around

Oh murder, oh murder

Gonna turn that ass around

Oh murder, oh murder

Real love's hard to find

So she don't waste her time

So she don't waste her time, oooh

You ain't gon' catch her crying

She ain't gon' lose her mind

She ain't gon' lose her mind

Till she..Six feet under she gon' kill me for that paper (Till she)

Six feet under she gon' kill me for that paper (Till she)

Six feet under she gon' kill me for that paper Not the type to fuck around, gonna turn that ass around
