

Bubblegum (feat. Tyga)

Jason Derulo

Got me 'bout to break my neck
Tell me how you pop like that
You do it like it ain't no sweat
I never seen a bubble so fat
You do it all day in the mirror
You practise all day in the mirror
Left cheek, right cheek, all year
I'm calling you out, and I hope you hear it
Shawty right there got a ghetto booty
Shawty right there got a ghetto booty
Drop a dollar on the floor
Hope she give it to you
A ghetto booty
A ghetto booty
She got that trunk but she don't look back
She put it in reverse and I can't be mad
I can't be mad at that baby fat
That's a ghetto booty, a ghetto booty
She just wanna po po po po pop that bubblegum
she just wanna po po po po pop that bubblegum
If she keep blinding, might explode
Never seen a girl like you before
She just wanna pop that bubblegum
Oh yeah
You do it like a professional
But you point your own schedule
Look you're so pretty in pain
Acting like a shit don't stain
You do it all day in the mirror
You practise all day in the mirror
Left cheek, right cheek, all year
I'm calling you out, and I hope you hear it
Shawty right there got a ghetto booty
Shawty right there got a ghetto booty
Drop a dollar on the floor
Hope she give it to you
A ghetto booty
A ghetto booty
She got that trunk but she don't look back
She put it in reverse and I can't be mad
I can't be mad at that baby fat
That's a ghetto booty, a ghetto booty
she just wanna po po po po pop that bubblegum
she just wanna po po po po pop that bubblegum
If she keep blinding, might explode
Never seen a girl like you before

She just wanna pop that bubblegum Blow it like a bubble
 Bazooka, baby
 Clouds on the couch
 You my ah, baby
 She got that senile
 Make a grown man crazy
 Got that senile
 Make a grown man crazy
 Shawty in the gym, ass-mazin
 I pull up I get her, as(s) easy
 It's too late to go back
 She look back, I'm teasin
 I'm kodak, my rolex, a moment, the history
 Pussy bumb, tick-tock
 Lip lock, thing pop, I'm done
 T-raw, heart numb
 No love, heart spun
 Baby give me some yum yum
 Big wheelie, surfboard
 Wheelie on the jock, do your thang girl
 And I need me a ride or Die and you're a freak
 I got seven different girls everyday of the week but Shawty right there got a ghetto booty
 Shawty right there got a ghetto booty
 Drop a dollar on the floor
 Hope she give it to you
 A ghetto booty
 A ghetto booty
 She got that trunk but she don't look back
 She put it in reverse and I can't be mad
 I can't be mad at that baby fat
 That's a ghetto booty, a ghetto booty She just wanna pop that bubblegum
 She just wanna pop that bubblegum
 If she keep blinding, might explode
 Never seen a girl like you before
 She just wanna pop that bubblegum She just wanna pop
 she just wanna po po po po po po pop that bubblegum
 she just wanna po po po po po po pop that bubblegum If she keep blinding, might explode
 Never seen a girl like you before
 she just wanna po po po po po po pop that bubblegum Oh yeah
