

The Miracles of Christmas

Stevie Wonder

La la la la...Look, there's a lollipop on the holly
And there's a toy that pulls
Look, there's a jingle bell in a dolly
It's time I saw the miraclesDo you know, that mistletoe
Comes from the holly trees
And do you know, twelve below
Can make the snowman freeze
Do you know an Eskimo
Has ice upon his chin
Do you know that tippy-toe
Is Santa creeping inLa la la la...Look, there's a choo-choo train and a rocket
And there's a bell that rings
Look, there's a candy cane in your pocket
And so many wondrous thingsDo you know, so long ago
That Christmas had its start, yeah
Even though there's ice and snow
It melts the coldest heart
For when we pray on Christmas Day
A miracle was born, yeah
As we behold the ground is cold
But everyone is warmEveryone is warm.
